

VANCOUVER'S BEST VISITOR MAPS

75,000 HOTEL-BRANDED PADDED MAPS PER SEASON

We have consulted with the 19 Hotels on our tentative distribution list and have taken their feedback about what they would like to see on a downtown Vancouver map. Where feasible all comments were used in designing our map. The project is now in the hands of our illustrator who is working on the finished product. We invite you to join us by advertising on the map with it's digital support app.
